

Channel F brings back the fun of live television.

Uncle Miltie introduces a new kind of live television. Channel F System II. The Fairchild Video Entertainment Computer. It puts you in control of your TV entertainment. Channel F System II gives you more than 1,000 game variations to choose from. And it offers an expanding library of game cartridges, with new games coming out all the time.

The games pictured above are just a small sample of what you'll find on Channel F Videocarts™. The Channel F System II comes with Videocart-1, containing 23 game variations.

Discover the fun of live television today. See a Channel F System II at a store near you. Or call toll-free (800) 662-9850 inside California or (800) 538-7722 outside California for the name of your closest Channel F dealer.

It's a great holiday gift for the entire family.
