

LIMITED WARRANTY

YOUR RIGHTS AND OURS

This product is yours - not ours - you paid for and you own it. You may sell this product without notifying us. However we retain copyright and other property rights in the program code and documentation.

We think this policy is fair to you and us, please abide by it. We will not tolerate distribution of this product by any other means.

LIMITED WARRANTY

In return for your understanding of our legal rights, we guarantee this product reliably perform as detailed in this documentation, subject to limitations here described, for a period of thirty days. If this product fails to perform as specified, we will either correct the flaw(s) within a period of 30 working days of return or let you return this product to the place of purchase for a refund. If your retailer does not cooperate, return this product to us. While we can't offer more cash than we received for the product, you have this choice: 1) Cash refund of the wholesale price. 2) You may have a merchandise credit for the retail price which can be applied to any of our products. Any product returned must include date and proof of purchase, the original product and all packaging and documentation.

If the product is defective within the warranty period return it to us for a free replacement.

We cannot be responsible for any damage to your equipment, reputation, profit-making ability or mental or physical condition by the use or mis-use of this product.

Under no circumstances will we be liable for an amount greater than your purchase price.

Some states do not allow limitations on how long an implied or express warranty lasts, or the inclusion or limitation of incidental or consequential damages, so some of the above limitations or exclusions may not apply to you.

FEEDBACK

Customer comments are VERY important to us. Please let us know how you consider the product.

BOXER

MINIMUM REQUIREMENTS

- TI-99/4A Home Computer
- Joysticks Required

BOXER

INTRODUCTION

Have you ever wanted to be Mike Tyson? Here is your chance to enter the ring.

Your goal is to win the fight! There are two ways to win:

- 1) Hit your opponent in the face or body to score more points than he does before the round timer reaches zero.
- 2) Hit your opponent three times on the chin (each time causing his head to pop up) and score by a knockout.

SETUP

- 1) Attach your TI joysticks to your console.
- 2) Insert the module into the slot on the console. Turn the console on and wait for the master title screen to appear.
- 3) Select BOXER by pressing the appropriate number key.
- 4) Start game by pressing fire button on joysticks or Q or Y keys.
