THIS PRODUCT COULD BE A LIFE SAVER. Detailed explanation and visual illustration of basic emergency response care critical to extending life until paramedics arrive on the scene. Four common in-home crisis areas are presented: swimming pool drownings, electrical shock, lacerations, and burns. Highly informative, yet presented in terms that younger children can grasp and retain. This product comes complete with on-screen self test to evaluate comprehension of each family member. A MUST FOR YOUR VIDEOCASSETTE LIBRARY!
