#2441 TUNNELS & TROLLS™ (Flying Buffalo)

This fantasy role-playing game for one to four players puts you into an adventure of the most fascinating kind. Your expedition involves your entrance into a mysterious dungeon made up of uncharted hallways and hidden chambers. You enter in search of priceless treasures. But—the underground is populated by monsters. Choose to fight or run! Select from a variety of weapons, cast magic spells or use your wits to defeat the monsters and claim the treasures! Will you emerge victorious?
