# Circus Charlie™

It's time for some laughs and thrills under the video big top as the star of the show, Circus Charlie, performs some amazing acrobatic stunts! Through 5 colorful screens (4 on VCS), Charlie the clown must leap through fire hoops, tiptoe the tightrope, balance on rolling balls, ride circus animals, and master the trapeze. There's circus music to keep things rolling, and difficulty levels that can make a crowd gasp. So take the family along . . . to the "greatest show" on video! All formats: 1 or 2 players.
