Mr. Do!'s Castle®

Mr. Do!, that king of arcade clowns, is in a bit of a bind—again! This time, a pack of pesky unicorns is trampling the bricked hallways of his castle. Players help Mr. Do! rid his dwelling of these crafty, quickly-changing, (and deadly!) creatures with the skillful swing of a hammer. Sometimes it's a quick clobber to the head. Or maybe a well-chosen brick knocked out from above. Stopping these critters is a must—but slowing them down with a hole in the floor is always helpful. Time ticks away as players guide Mr. Do! through the castle's maze of rooms, fending off his intruders and grabbing keys along the way. Only when Mr. Do! has collected all the keys can he unlock the castle door, and open up an extra chance to beat these nasty critters!
