ZODIAC—THE ASTROLOGY COMPUTER

ZODIAC provides you with the same kind of information you would receive from an astrologer—and it takes only minutes! ZODIAC operates in three modes: in the Horoscope Mode, it computes complete astrological horoscopes; in the Daily Preview Mode, it gives you a preview for any day you wish; and in the Advice Mode, ZODIAC answers your questions! ZODIAC comes with a manual featuring an introduction by astrologer Sydney Omarr, and has electronic sounds, lights and display. Requires batteries or #2098 Battery Eliminator/AC Adapter (neither included).

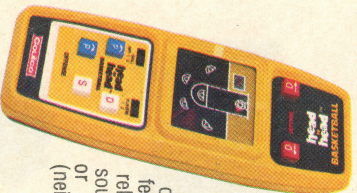

HEAD TO HEAD™ ELECTRONIC FOOTBALL

Realistic football action! Play against the computer, or against an opponent! The offense can run, pass, block or kick—its fully controllable. The defense can tackle and intercept with the free safety. Features large display, electronic sounds and two skill levels. Requires battery or #2098 Battery Eliminator/AC Adapter (neither included).

HEAD TO HEAD™ ELECTRONIC BASKETBALL

On-the-court action! Play against the computer, or against an opponent. The offense passes—sets up a shot; the defense tries to block. Miss and fight for the rebound. Features large display, electronic sounds and two skill levels. Requires battery or #2098 Battery Eliminator/AC Adapter (neither included).

HEAD TO HEAD™ ELECTRONIC HOCKEY

Play against the computer, or against an opponent! The offense passes the puck—the moving defenseman tries to block! Shoot—the goalie deflects. You fight for the rebound. Features large display, electronic sounds and two skill levels. Requires battery or #2098 Battery Eliminator/AC Adapter (neither included).

QUIZ WIZ™

Computerized quiz game with 1001 questions. Enter the answer—electronic lights and sounds tell you if you're right or wrong! Includes computer, quiz book and programmed cartridge. Requires battery or #2098 Battery Eliminator/AC Adapter (neither included).

There are many additional Cartridge/Quiz Books available for use with your QUIZ WIZ™ Computer! Each includes a programmed cartridge and quiz book with 1001 questions on subjects of interest to the whole family. Start your collection now!

LL GENIUS™

The electronic learning calculator. Child can add, subtract, multiply and divide. Electronic lights and sounds tell if the answer is right or wrong! Includes math activity book. Requires battery or #2098 Battery Eliminator/AC Adapter (neither included).

ZAP™

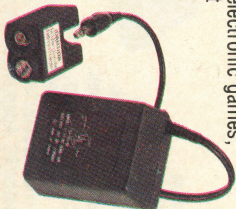

Electronic skill game. Zap your opponent before he zaps you! Ball races toward your goal—you zap it back across the field. Electronic scoring and sounds. Requires battery or #2098 Battery Eliminator/AC Adapter (neither included).

BATTERY ELIMINATOR/AC ADAPTER

It's a battery eliminator and AC adapter all in one! Use it as a battery eliminator for electronic games of all kinds—even if they don't have an AC adapter jack. Just connect it, plug it in, and eliminate the need for a 9 volt battery! Use it with all Coleco electronic games, as well as many others! Use it also as an AC adapter with most electronic items. Just connect it to the external adapter jack, and you have a dependable power source.

AC ADAPTER—UL Listed
77V-K & 883-K
Input: 117V 60Hz 5W
Output: 9V DC 200mA
*Only for use with electronic products requiring one 9 volt battery and having internal battery straps.

ELECTRONIC QUARTERBACK™
The football game with all the action! You call the plays—kick, pass, run, block. There's complete control of the field! Display shows all the statistics. Electronic sounds and two skill levels. Requires battery or #2098 Battery Eliminator/AC Adapter (neither included).
