Thanks for writing to Coleco,  
and sorry for the delay on  
our reply. I have enclosed  
available pamphlets for you,  
and put you on a mailing  
list. As soon as more in-  
formation is printed, we will  
send this out to you. The  
Cartridges and games listed  
in the book are the only  
ones coming out in Early '83.

The only information we have at this time, on our Computer Module is:

1.) it will be released in mid 1983

2.) it will cost between \$170.00 + \$200.00

3.) it is very competitive

4.) it is highly programmable.
