MAIL ORDER INFORMATION

Thank you for inquiring about our TI 99/4A products and services. We have been supporting the TI 99/4A since 1982 and we will continue to do so in the future. We have the largest genuine TI hardware and software selection of anyone we know of. **Most items we sell are pre-owned or used, some are new, the price is the same except as noted!** If there is a particular item you are looking for and do not find it in our catalog, please call to see if we may have it. Especially publications.

We ship UPS usually the same day you order. **Our prices do not include UPS charges** (see "shipping" below). We can ship COD (\$6 extra charge per BOX) or you can pay by bankcard (VISA, MasterCard or Discover) - please include the expiration date on the bankcard. If you choose to prepay by check, please include shipping charges. If you overpay shipping we will refund or credit you the difference. If you underpay shipping, we will hold your order and notify you of the balance due. Please send your daytime phone number if possible. The easiest for us and cheapest for you is to use your bank or Discover card for payment. You don't have to estimate UPS charges, you save the \$6 per box COD charge. We charge your credit card only for items shipped. **NO EXTRA CHARGE FOR CREDIT CARDS!**

30 Day Guarantee - Within 30 days, defective items you buy from us may be returned freight prepaid with a copy of your invoice from us for replacement of an identical item only! Your only cost is freight to us, we pay freight back to you. The item must be complete as you received it with all documentation. We will offer you a like item or credit toward future purchases if we do not have another one in stock. **NO REFUNDS!**

SHIPPING & HANDLING: Software 6% of total with \$6 being the minimum charge. WI residents add 5.5% sales tax! Hardware (\$6 min) Call actual for shipping charges. (usually 10-15% depending on weight) C.O.D. - \$6 EXTRA for each BOX plus shipping & handling charge.

Please let us know what to do if an item you order is not available. Your choices are:

1. Put the item on backorder. We will ship when we receive it.
2. Put the item on backorder and notify you before shipping.
3. Substitute with a similar product.
4. Cancel ordered item - send a refund or return your check if you've prepaid.
5. Issue a credit for future purchases (prepayment only).

Any of the above choices may be changed by you at a later date. We do not always know what will be received from day to day, as we get boxes of items daily and find all kinds of surprises. If you are waiting for a particular item, keep the faith, we will probably have it eventually.

We do purchase some TI items you no longer need - call for more information.

Our phone numbers are: **800-471-1600** (orders only please)

414-672-1600 (Local or tech support) Fax 414-672-8977

Thank You for your business, Ted, Dave and Earl.
