Here's what a TEXAS INSTRUMENTS Computer can do:

Computer alone: with the BASIC Language built-in and the Beginners BASIC Book included, you're ready to start writing programs as soon as you get computer home

With Peripheral Expansion Box: compact way to add additional peripherals to your system . . . houses up to seven peripheral Cards and Disk Drive

With Expansion Box Disk Drive: reads, writes and retrieves information fast on 5¼ inch diskettes

With Program Recorder: reliable loading, storage, retrieval of programs or data on std. audio cassette tapes

With Printer: gives you printed copy of your data . . . lets you create tables, charts, graphs, memos

With Phone Modem: lets you send and receive data and entire programs with your own home phone. Also allows access to data base information networks

With Speech Synthesizer: reproduces human speech electronically

(1 thru 13) See Glossary and Feature Comparison Chart on page 863. The TI 99/4A Personal Computer System is designed to adapt to the needs of a small business or a family that has little or no knowledge of computers. For the more sophisticated user, the TI Computer is fully expandable and versatile using the space-saving peripheral expansion system.

CONSTRUCTION: High-impact gray-beige plastic outer casings. UL listed. 110-120-volt AC

ORDER INFO: All items warranted by Texas Instruments, Inc. Write for free copies, see page 649. Complete instructions included.

(1) **TI 99/4A Home Computer.** \$50 REBATE from Texas Instruments. Price after rebate \$99.99. Rebate expires 1-31-84. Void where prohibited. TI BASIC programming language built right into console . . . no need to buy it separately. Comes with 16K memory (RAM) expandable up to 52K with (5) RAM Expansion Card and Mini-Memory Cartridge sold on pg. 871. 48 alphanumeric keys on full-stroke typewriter-like keyboard. Upper/lower case. Superior color, sound and graphics capability. 16 color capabilities (on color TV). Music/sound effects generated over 5 full octaves using 3 simultaneous "sounds" plus noise generating feature. Measures 10½x15x2½ in. high. Includes video modulator (TV hook-up). Beginner's Basic Manual and User's Guide. 1983 Spring Big Book price \$199.99 (Now in new attractive gray, beige plastic casing). 3 G 23042C—Shpg. wt. 12 lbs. 8 oz. . . . \$149.99

(2) **Peripheral Expansion Box.** Compact way to expand your computer's capabilities. Lets you start simple, then gradually build up a sophisticated system by plugging in additional peripheral cards (sold at right). Houses up to 7 peripheral cards in one place with one power supply, eliminating clutter. 17½x11x2 in. high. 3 G 23043C—Shipping weight 35 pounds. . \$249.99

(3) **Expansion Box Disk Drive**
Reads information from and writes information on the diskette. It can rapidly locate any position or file on the diskette as directed by the Disk Drive Controller Card (4), sold below. Holds 92K RAM. Requires (2) Peripheral Expansion Box and (4) Disk Controller Card. 3 G 23044C—Shipping weight 1 lb. 3 oz. . . . \$399.99

Accessory Disk Drive (not shown). Same features as (3) above. Use as a 2nd Disk Drive outside of Peripheral Expansion Box. Requires (2) Peripheral Expansion Box and (4) Disk Controller Card. 12½x6x4 in. high. 3 G 23050C—Shipping weight 12 pounds. . \$499.99

(4) **Disk Controller Card.** Puts an index on disk making data easy to locate. Controls up to 3 disk memory drives. Stores up to 90K bytes info. Requires (2) Peripheral Expansion Box and (3) Expansion Box Disk Drive. 3 G 76023C—Shipping weight 2 lbs. . . . \$249.99

(5) **32K RAM Memory Expansion Card.** Increases RAM from 16K to 48K bytes. Allows you a greater user memory. Requires (2) Peripheral Expansion Box. 3 G 76025C—Shipping weight 2 lbs. . . . \$299.99

(6) **RS-232 Interface Card.** Lets you hook up to a wide range of serially formatted peripherals. Requires (2) Peripheral Expansion Box. 3 G 76022C—Shipping weight 2 lbs. . . . \$174.99

(7) **P-Code Card.** Adds UCSD Pascal* language capability to your Computer. Requires (2) Peripheral Expansion Box, (3) Expansion Box Disk Drive and (5) 32K RAM Memory Expansion Card. 3 G 76026C—Shipping weight 2 lbs. . . . \$249.99
*UCSD Pascal is a trademark of the Regents of the University of California

(8) **10-in. Color Monitor.** Picture quality far superior to standard TV. Excellent color resolution (192x256 dot density). Video input connects directly to console to eliminate interference and tuner distortion. 12¾x11¾x10¾ in. high. 3 G 23045C—Shipping weight 25 lbs. . . . \$399.99

(9) **80-column Impact Printer.** Features 80 cps bidirectional printing, 4 type sizes, 4 printing densities. Graphics capability, serial interface card, cables incl. Handles from 40 to 132 column widths. 19x15x7 in. high. Uses tractor-feed paper (sold on pg. 874). Requires (2) Peripheral Expansion Box and (6) RS-232 Interface Card. 3 G 76099C—Shipping weight 16 lbs. . . . \$749.99

(10) **Telephone Modem.** Lets you send and receive messages, data and even entire programs using your own home phone. Access data bases and software services. Requires (2) Peripheral Expansion Box, (6) RS-232 Interface Card and Terminal Emulator II (sold on page 871). 3 G 23046C—Shipping weight 3 pounds. . \$224.99

(11) **Speech Synthesizer.** Reproduces human speech electronically and accurately. Plugs directly into console. Children too young to read can have the computer "talk" to them. It adds excitement to games using speech. Requires Terminal Emulator II (sold on pg. 871) to "listen" to data base information services. Measures 4x7¾x2¼ in. high. 3 G 23047C—Shipping weight 1 lb. . . . \$149.99

(12) **Hex-bus™ Adapter.** Adapter for the (1) TI 99/4A to allow use of the TI Micro Peripherals sold at right. 4x7¾x2¼ in. high. 3 G 76275—Shipping weight 3 pounds. . . . \$59.99

(13) **TI Program Recorder.** Economical way to run, store and reload programs on standard audio tape cassettes. Includes cassette cables. For use with TI 99/4A. Measures 10½x5½x2½ in. high. 3 G 23049—Shpg. wt. 3 lbs. 4 oz. . . . \$69.99

Cassette Cable (not shown). Connects your own compatible cassette recorder to TI 99/4A Computer. 3 G 76032—Shpg. wt. 5 oz. . . . Set \$14.99

(14 thru 16) **TI Micro-Peripherals.** Economical way to customize your TI 99/4A Home Computer System to your own special needs (requires use of (12) Hex-bus™ Adapter). Or, use with TI Compact Computer 40 with built-in Hex-bus™ Adapter (sold, p. 873).

(14) **Printer/Plotter.** Prints 36 characters per line at 11 characters per second. Plots X-Y graphics in four colors: red, blue, green and black (one set printing pens included, extras sold below). One roll standard 2¼-in. plain paper included (extra rolls sold below). Measures 5¾x4¾x1¼ inches high. 3 G 23051C—Shpg. wt. 2 lbs. 5 oz. . . . \$199.99

Printer Paper. Package of 5 rolls. 3 G 76432—Shipping weight 12 oz. . . . Pkg. \$3.29

Color Pen Set for TI Printer/Plotter above. Set of three: one each, red, green and blue color pens. 3 G 23052—Shipping weight 6 oz. . . . Set \$3.99

Black Pen Set for TI Printer/Plotter above. Set of three black color pens. 3 G 23053—Shipping weight 6 oz. . . . Set \$3.99

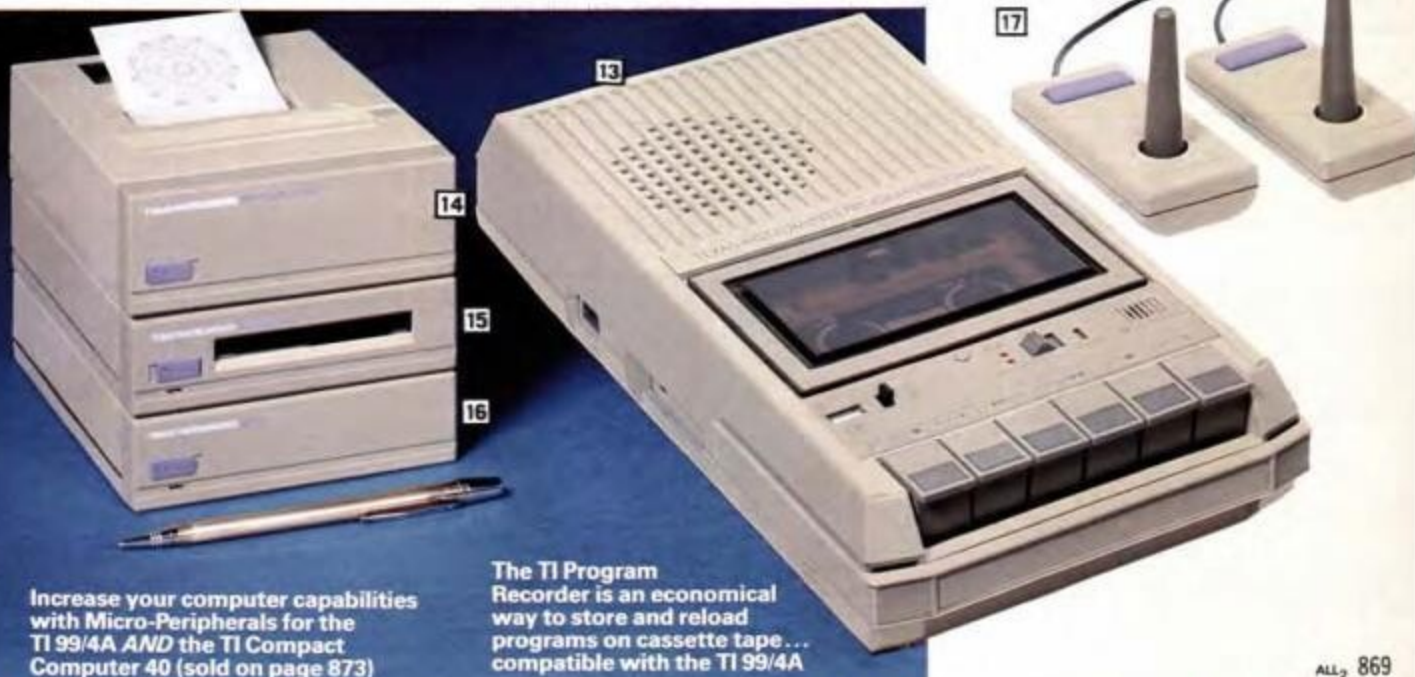

(15) **Wafertape™ Drive.** Faster, more accurate storage than standard audio cassette based system. A 4K program loads in less than 10 seconds. Wafertapes™ require no rewinding and can be formatted. Four AA batteries incl. AC adapter and Wafertapes™ sold below. Measures 5x4x1¼ inches high. 3 G 76233C—Shpg. wt. 15 oz. . . . \$139.99

AC Adapter
For Texas Instruments Wafertape™ Drive above. 3 G 76478—Shipping weight 8 ounces. . . . \$14.99

Blank Wafertape™ Cartridges. Shpg. wt. 3 oz. 3 G 76475—25 ft. Holds up to 24K bytes . . . \$6.99
3 G 76476—50 ft. Holds up to 48K bytes . . . 7.99

(16) **RS 232 Interface.** Allows hook-up to a wide range of peripherals, including phone modems and printers. Measures 5¾x4¾x1¼ in. high. AC power pack included. Pen shown not included. 3 G 76231C—Shipping weight 1 lb. 4 oz. . . \$99.99

(17) **Joystick Controllers**
For game and some educational programs. Lets you maneuver objects on the screen. Eight-position remote control with action button. Set of two. 3 G 23048—Shipping weight 1 pound. . Set \$34.99

Increase your computer capabilities with Micro-Peripherals for the TI 99/4A AND the TI Compact Computer 40 (sold on page 873)

The TI Program Recorder is an economical way to store and reload programs on cassette tape . . . compatible with the TI 99/4A

ENTERTAINMENT

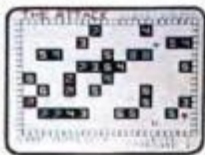

Parsec

TI Invaders

Munch Man

The Attack

Video Chess

Blasto

Chisholm Trail

Tunnels of Doom

ORDER INFO (for all programs on these two pages): We recommend joysticks for all game and some educational programs. Programs in cartridge (Ct) format fit into slot on computer. Use TI Program Recorder (sold on page B69) or any standard cassette recorder with cassette (Cs) programs. Use TI Disk Drive System with diskette (D) programs. In chart: O=optional, R=required. All programs warranted by Texas Instruments, Inc. Write for free copy, see page 649. Also see Sears Disclaimer Note on facing page.

Title	Description	Format	Speech Syn.	Wt. lbs.	Catalog Number	Price
Parsec*	Player battles alien ships on a remote planet in outer space.....	Ct	O	10	3G76222	\$39.99
TI Invaders	Your world is under attack by an armada of nasty creatures from outer space. Use your wits to zap them from the skies.....	Ct	1	3G76073	39.99
Munch Man	Outmaneuver four hungry hoonos while racing thru maze.....	Ct	1	3G76075	39.99
The Attack**	You command a starship to a region of outer space ruled by "spores" and "aliens". Attack..... and destroy the enemy.....	Ct	10	3G76069	39.99
Alpiner*	You have 6 mountains to climb: Hood, Matterhorn, Keyna, McKinley, Garmo and Everest. Watch out for Abominable Snowman.....	Ct	O	10	3G76221	39.99
Car Wars	Action-packed, high-speed race. Pit your speed and skill against a truly awesome opponent..... the computer.....	Ct	1	3G76074	39.99
Tombstone City	21st Century Old West town threatened by a hoard of alien Morgs. They live off tumbleweeds and people. Guilt.....	Ct	1	3G76072	39.99
Chisholm Trail	Move your "steer" thru the maze in order to kill four "Brand" monsters and one very special monster, the "Wrangler".....	Ct	10	3G76078	39.99
Blasto**	Your tank races against the clock to cross a treacherous minefield without getting "blasted" by enemy fire.....	Ct	10	3G76070	24.99
Indoor Soccer	5-on-5-side soccer. Uses most legal soccer tactics.....	Ct	1	3G76067	29.99
Hunt the Wumpus	Exciting hunt in hidden maze of caverns and twisted tunnels. Seek out lar of the Wumpus while avoiding many perils.....	Ct	10	3G76066	24.99
Video Chess	Computer keeps track of moves, gives you help and/or acts as a challenging opponent. Save games for later replay.....	Ct	1	3G76077	69.99
Obelisk	Objective is to get as many disks of your color on the screen. Success lies in your ability to outbank your opponent.....	Ct	10	3G76019	39.99
Football	Pick the plays, call the defense, snap the ball. Every game is different. Based on actual professional football stats.....	Ct	10	3G76065	29.99
A-Mazing	Super deluxe maze game..... from simple to complex and even invisible mazes. Thirteen options with 5,200 variations.....	Ct	1	3G76068	24.99
Backlog/Poker**	Computer lets you bet with a bankroll you wish you had.....	Ct	10	3G76223	24.99
Connect Four**	Vertical strategy game. Get four markers in a row and win.....	Ct	10	3G76226	19.99
Mind Changers	Game I challenges you to echo a sequence of notes. Game II is a codebreaking game using shapes and colors.....	Ct	10	3G76218	24.99
Tunnels of Doom	Lead a party of adventurers fighting countless monsters in a quest to rescue the king and gather great treasure.....	Cs	10	3G76219	59.99
Adventure Interpreter	With Adventure cartridge and one of the 4 cassettes listed below, you experience many glorious adventures. Each one challenges your powers of logic and may require days or even weeks to complete. Incl. Pirate Adventure cassette.....	Ct and Cs	10	3G76227	49.99
Adventureland	Explore the forest of an enchanted world, locate 13 treasures.....	Cs	14	3G76281	29.99
Mission Impossible	Try to save the world's first nuclear reactor from destruction.....	Cs	14	3G76282	29.99
Savage Island I and II	Part I: explore impenetrable jungle to get password. Part II: use password to enter, become hero or die horrible death.....	Cs	14	3G76283	39.99
Golden Voyage	Set sail on a quest for the mythical fountain of youth.....	Cs	14	3G76284	29.99

*Works on TI 99/4A only. **Milton Bradley Company †Gabel Industries, division of CBS, Inc.

Help your children do better in school with PLATO® Series of Educational Courseware Programs

PLATO® Courseware makes learning an exciting challenge and uses the results of more than 20 years of educational experience in schools, universities, government and business. PLATO® Courseware combines the best methods of traditional teaching with current advances in computer-based learning. Students at both elementary (basic) and high school levels have a unique opportunity to learn and sharpen skills in many subject-areas. PLATO is trademark of Control Data Corp., U.S.A. Copyright 1982 Control Data Corp. All rights reserved. PLATO Courseware manufactured under license by Texas Instruments Inc.

To use PLATO Courseware, you'll need:

- TI 99/4A Home Computer
- TI Monitor or television set
- TI Memory Expansion unit
- TI Disk Memory System (Disk Drive Controller and Disk Memory Drive)
- Peripheral Expansion System (if you have card-type peripherals)
- PLATO Interpreter Solid State Cartridge (sold below, AVAIL. AFTER JULY 15, 1983)
- PLATO Courseware packages you choose (sold below, AVAIL. AFTER JULY 15, 1983)

PLATO® Interpreter. Solid State cartridge that allows your TI 99/4A to run PLATO® programs. Package also includes Survey Disks, which ask child questions to determine strengths and weaknesses in reading, grammar, math. The Parent's Questionnaire asks you questions that help you assess child's academic skills. 3 G 76426—Shpg. wt. 1 lb.Package \$49.99

Basic Skills—Reading. Five programs which teach the development of basic words by introducing the student to the basic word building blocks such as verb endings, contractions with pronouns, abbreviations, easy compound words and a review. Grades 2 thru 5. 3 G 76480—Shpg. wt. 1 lb.Package \$49.99

Choosing the Proper Words. Six programs demonstrate how to choose proper word in given situation. Student becomes familiar with words that are spelled alike, words that sound alike, prepositions, word groups, using words in context. Grades 3 thru 8. 3 G 76481—Shpg. wt. 1 lb.Package \$49.99

Applying New Words. Four programs that concentrate on clues to new word meanings, idioms, more on words that sound alike. Grades 4 thru 8. 3 G 76482—Shpg. wt. 1 lb.Package \$49.99

Understanding What You Read. Five programs which help develop techniques for getting the facts, finding what doesn't belong, replacing nouns with pronouns, ordering main events. Grades 5 thru 8. 3 G 76403—Shpg. wt. 1 lb.Package \$49.99

Remembering What You Read. Six programs which focus on reading for information, remembering facts, finding main ideas, putting items in proper sequence, topic sentences and review. Grades 5 thru 9. 3 G 76483—Shpg. wt. 1 lb.Package \$49.99

Interpreting What You Read. Six programs that ask you to identify facts not directly stated, main idea of story, place events in order, use evidence to support ideas, review, test application. Grades 5 thru 9. 3 G 76484—Shpg. wt. 1 lb.Package \$49.99

High School Skills—Math

Basic Number Ideas 1. Three programs that cover introduction to sets; set operations; odd, even, prime and composite numbers. Grades 4 thru 8. 3 G 76433—Shpg. wt. 1 lb.Package \$49.99

Basic Number Ideas 2. Four programs focusing on exponents; addition, subtraction of integers, multiplication and division of integers; and square roots. Grades 4 thru 8. 3 G 76434—Shpg. wt. 1 lb.Package \$49.99

Math Sentences in One Variable 1. Three programs that define rules for simplifying and solving monomial and binomial algebraic expressions, and sets and variables. Grades 6 thru 9. 3 G 76435—Shpg. wt. 1 lb.Package \$49.99

Math Sentences in One Variable 2. Three programs that present methods of finding the solutions to linear equations; linear inequalities; and quadratic equations with one variable. Grades 6 thru 11. 3 G 76436—Shpg. wt. 1 lb.Package \$49.99

Math Sentences in Two Variables. Three programs that introduce the coordinate plane to solve two-variable linear equations and systems of linear equations. Grades 8 thru 11. 3 G 76437—Shpg. wt. 1 lb.Package \$49.99

Geometry. Four programs that use relationships between components of angles; circles, arcs, circumferences; and triangles as measurement tools. Also includes pythagorean theorem. Grades 8 thru 11. 3 G 76438—Shpg. wt. 1 lb.Package \$49.99

Measurement. Four programs that introduce metric measurement and formulas for determining area and volume of geometric shapes. Grades 6 thru 8. 3 G 76439—Shpg. wt. 1 lb.Package \$49.99

Special Topics. Four programs that help you determine percents less than 100, greater than 100. Also covers mean, average, probability. Grades 6 thru 9. 3 G 76440—Shpg. wt. 1 lb.Package \$49.99

High School Skills—Reading

Practical Reading 1. Five programs that help student identify the main idea; the title and it's relationship to the main idea; locating supporting details within story. Also covers understanding logical relationships (1 and 2). Grades 6 thru 9. 3 G 76441—Shpg. wt. 1 lb.Package \$49.99

Practical Reading 2. Three programs which show how to determine author's implied meaning. You become "word detective" and use details in passages as clues to understand implied meanings of words, sentences and situations. Grades 6 thru 9. 3 G 76442—Shpg. wt. 1 lb.Package \$49.99

General Reading 1. Five programs to improve general reading skills. Reviews how to identify passages main ideas, title, details and sequence of events. Grades 6 thru 9. 3 G 76443—Shpg. wt. 1 lb.Package \$49.99

General Reading 2. Five programs that present how to interpret comparison/contrast, cause and effect, illustration and example, implied meaning, and, implying a title. Grades 6 thru 9. 3 G 76444—Shpg. wt. 1 lb.Package \$49.99

Prose Literature 1. Four programs that cover plot; implied meaning; setting and implied setting of a story. Grades 7 thru 10. 3 G 76445—Shpg. wt. 1 lb.Package \$49.99
